## SCHOOL FEES

### Nursery/Reception

The school is very popular, so to ensure that any new child starting in either Nursery or Reception can be guaranteed their place in the new School Academic Year, we have introduced a **£50 non-refundable** . This will be deducted from the annual fees upon registration.

### Payment Methods

There are two methods available to pay the School Fees.

#### Option 1: Two Equal Instalments

1<sup>st</sup> Instalment of 50% of the fees is paid start of the September term and then the remaining 50% is paid in January

#### Option 2: By Standing Order

**30%** of the fees are paid in September directly to the GPA and then a standing order of **7** equal payments starting from **October** through to the following **April**. Standing order forms can be obtained by the Treasurer or from the Queenswell Greek School Website.

**All fees are made payable to Greek Parents Association.**
